# PETERBOROUGH GAS

## INSTALL | MAINTAIN | REPAIR

#### **4 - CONTRACT INVALIDATIONS**

- If invalid or misleading information has been provided
- If payment is not received within 7 days of the date due your service plan will be cancelled and charges may apply
- If on our first visit we find a fault with system/systems
- If we have advised that a permanent repair is needed to make sure your appliance or system is working properly and safely and you have not acted to resolve in an appropriate manner
- Anyone other than one of our engineers/subcontractors carries out work on the system
- If health and safety issues arise from your property or persons in property
- If Work has been carried out by someone else on the system not authorised by us

#### **5 - ACCEPTANCE**

Acceptance onto one of our service plans does not imply that the boiler, heating system or plumbing system is installed to the relevant standards and we will not accept liabilities arising from the original design or installation and so make no warranty as to the fitness for purpose.

#### **6 - DELAY LIABILITY**

We will not be liable for any delays in the supply of parts from our suppliers. We may fit replacement parts that are adequate but not the same as the defective part(s).

#### **7 - NEW PARTS**

New Parts will only be fitted where old ones are beyond reasonable repair. We will be the sole arbitrators as to the condition of parts, where a radiator requires changing we will only change for a standard white radiator. Designer radiators and towel rails will be attempted to be repaired but not covered for replacement. Boiler heat exchangers that have been damaged by debris, sludge or scale will not be covered for either parts or labour

#### **8 - NOISE**

As boilers get older for many reasons they become noisy, where noise is down to the age of the appliance we will not class this as a fault and is not covered under any plan.

#### **9 - BOILER REPLACEMENT**

If your boiler is under 7 years of age and deemed unrepairable we will replace the boiler like for like, we will need to see proof of the original date of installation. For boilers over 7 years a loyalty discount will be applied to the cost of fitting a new boiler.

#### **10 - ACCESS**

We are not liable for any repairs to which we cannot gain reasonable access, removal of any obstructions will be at our sole discretion and we will reserve the right to charge you at our standard rates. We may insist that you arrange for the obstruction prior to us carrying out the repair to be moved, we will not be held liable for any making good unless it's down to our negligence.

#### **11 - CHARGES**

If a service plan is cancelled part way through the year we reserve the right to charge for any services and/or repairs we have carried out at our standard rates.

#### **12 - ANNUAL BOILER SERVICE/LANDLORD CERTIFICATE**

If this included in your plan we will try to arrange a visit for this to take place but you remain responsible for it happening within the contract.

## **13 - SYSTEM FLUSHING**

If we recommend that your heating system requires a flush we will provide you with a quotation and a disclaimer to sign, and once the system is cleaned we will continue with any service plan in place.

## **14 - EXCLUSIONS**

Our service plans **do not** include;

1. Repairs required due to design faults or existing faults prior to the start of this plan
2. Repairs relating to damage caused by you or a third party
3. Any loss or damage to any property caused by the boiler, heating system or plumbing system breaking down, for example, damage to the ceiling due to a leak
4. Any faults caused by sludge, scaling or blockages
5. The cost of removing sludge or scale from the system and the damage caused would not be covered, nor the cost of adding corrosion inhibitor
6. Boiler repairs are limited to £250 in the first three months of your plan
7. Damage caused by weather or freezing
8. Removal of dangerous materials for example asbestos
9. Any decorative parts for example casing, paint work, batteries
10. Any part of a flue concealed within the fabric of the building
11. The gas supply from the meter to the boiler and or other appliances
12. Damage caused by fire, flood, lightning storm, freezing weather or any other natural event
13. Adjustments to time controls unless already on site
14. Any loss suffered by you due to delay in obtaining parts
15. The cost of a new boiler if parts become unreasonably available, at our sole discretion
16. Accidental damage, theft or malicious damage
17. Routine maintenance, cleaning, descaling, turning on or lighting up the system, clearing airlocks or blocked pipes, bleeding systems or topping pressure up
18. Loss or damage caused by your equipment not working or costs arising from gaining access, this includes pipes under the floor or in the fabric of building
19. Repairs that will cost over £400
20. Replacement of showers or taps
21. Below Ground drainage
22. Mains supply pipe
23. Replacement of baths, shower cubicles, basins and toilets

## **STATEMENT**

Permitted by law, where we are in breach of the terms of this contract or cannot honour the agreement, the maximum liability will be limited to the cost of the relevant service plan you have in place. (Up to the amount you have paid for the current year).

Under no circumstance are we liable for any loss of earnings, profit, loss of goods, or loss of business. None of these conditions limit us from the liability relating to death or personal injury from our negligence.

This contract is strictly a maintenance contract and **IS NOT** an insurance policy. Peterborough Gas Limited is therefore not regulated by the FCA.

---

\* Limits apply please see Clause 14. 19

\*\* To be booked between March and August unless we agree otherwise

\*\*\* Unlimited calls out apply as long as there is fault present, if we inform you that the issue is not a fault or not covered and you call us out we will have the right to charge at our standard rates.

#- If your boiler is under 7 years old and deemed unrepairable we will fit a like for like boiler as part of this agreement. (You will need to be able to prove age of boiler upon request.
